

DISHWASHERS

Designed and perfected for the Indian Kitchen, now available with new features.

Bosch built-in dishwashers are designed to fit in your new or existing kitchen with style and ease. With thoughtful features like RackMatic and Home Connect, doing the dishes is now easier than ever before.

Perfected for Indian Utensils
The Intensive 70°C program designed to clean oily & masala stained Kadhais, pots, pans, etc.

Home Connect NEW
The IoT enabled remote-access ecosystem lets you connect directly with your dishwasher from anywhere, through the Home Connect App. Now you can control everything on the go.

Hygienic Wash
With Bosch dishwasher water heats up to 70°C & kills 99.99% germs & bacteria.

RackMatic NEW
The 3-Stage Rackmatic flexible basket fits almost everything your kitchen has to offer.

Clutter-free kitchen
Bosch Dishwasher helps you keep your kitchen platform clutter-free and spacious.

No manual pre-rinse required
Directly load the utensils in the dishwasher after scraping the leftovers, without any need to manually pre-rinse them.

DosageAssist
The DosageAssist feature maximises the effectiveness of detergent tablets by dropping them into a specially designed tray that is targeted by water jets, resulting in a tablet that dissolves evenly under control ensuring optimal usage.

Glass Protection Technology
Bosch Dishwashers with glass protection technology constantly regulates the degree of hardness of water to ensure that valuable glasses and crockery are washed with special care.
